ACCREDITED BY NAAC WITH A* GRADE

PTNR-CENTRAL FACILITIES FOR RESEARCH AND DEVELOPMENT

&

MICRON LIFE SCIENCES

Organizing

2 Days Hands -On Workshop On

“ANIMAL CELL CULTURE TECHNOLOGY AND ITS APPLICATIONS AND PCR TECHNIQUES”

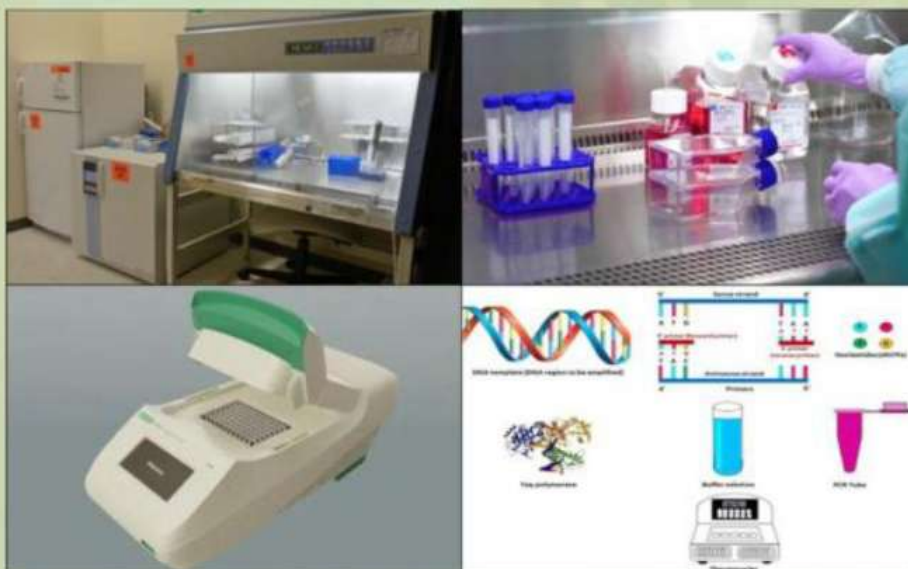

Day-1

Introduction to cell culture and its applications.

Preparation of cell culture media,
Cell revival, viable staining and counting,
plating, Seeding of cells and freezing.

Day-2

PCR and its applications, Primer designing
DNA extraction and AGE, PCR.

Venue

PTNR-CFRD

Osmania University

Dates

15-16 May 2026

Note

- ✓ Get your Lab coats
- ❖ We provide Certificate

Registration Fee:

Students:2500/-

Faculty : 3000/-
